“Football the way it  
ought to be”

## **CAMP PHILOSOPHY**

Blue and Gold camp will provide a fun and competitive football experience. A variety of non- contact drills, games, and contests will teach the campers passing, catching, kicking, blocking, and defensive fundamentals.

Blue and Gold is structured to help improve the skills of the experienced players and also introduce these skills to the inexperienced players.

Campers will be grouped by skill and age. In addition, all campers will be a member of a "Camp Superstars" team consisting of players of all levels. This is designed to improve the teamwork and competitive skills of all campers. We have found that this is one of the most enjoyable features of Blue and Gold.

Our goal is to provide a structured, safe, and fun environment in which boys will be able to learn and enjoy the game. We hope that our campers will develop a life long love and passion for FOOTBALL!!!

## **FACILITIES:**

The camp will be held at Old Tappan High School which has state of the art football facilities. We offer a new turf field as well as a grass practice field.
