*Thank you for joining us for a great evening of FUNdraising. The OTPTO is excited to announce that we are fundraising for this year's SPRING PROJECT - PROVIDING AIR-CONDITIONING UNITS for classrooms in the district that currently do not have window units. With your support, the OTPTO will be funding the purchase and installation of approximately 30 window air-conditioning units for the Old Tappan Elementary Schools - which will create a more comfortable learning environment for our students and teachers, during the warmest days of the school year.*

*The fundraising goal for this project is \$30,000. Tonight, with your support and generosity, we are striving to reach that goal!*

*The entire OTPTO would like to thank everyone that helped make this fundraiser possible, as well as everyone who has attended and supported this event. We would especially like to thank the event Co-Chairs, Nicole Otto and Karen Eichenbaum, and their dedicated team of volunteers, who worked tirelessly to make sure that this evening is perfect in every way.*

*Last but not least, we hope that you enjoy this evening's great food, great company and great prizes! Have fun and gamble hard; after all....this evening's winners are the children!*

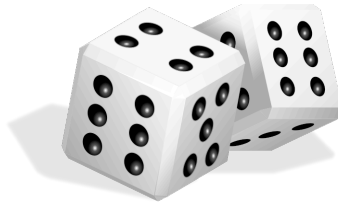

*Warmest regards,*
