

### **What is Amazonsmile?**

Amazonsmile is a simple and automatic way for you to support Old Tappan PTO everytime you shop on Amazon, at **NO** cost to you.

### **Can I use my existing Amazon.com or Amazon Prime account on Amazonsmile?**

Yes, you use the same account.

### **How do I shop at Amazonsmile?**

It is a **ONE** time sign up, you do not need to do this every time you shop with Amazon. Simply go to **smile.amazon.com**. Sign into your account as you normally would. Go to **Accounts & Lists**. Under Account it says **Your Amazonsmile**. It gives you the option to **pick your own charitable organization**. Type in **Old Tappan PTO** and hit **Select**. That's it!

After you have set it up, you can **download the App**. First delete the existing Amazon App if you have one on your phone. Then go to **smile.amazon.com** on your mobile phone's browser. **Click the icon at the bottom to upload/share**. Click **Add to Home Screen** and then confirm by clicking **Add**. You're done! The Amazonsmile App is now on your Home Screen.

When you go to purchase items on amazon from now on, go to smile.amazon.com and you are already set up! You must go to that site in order to get credit to our account. Same as with the Amazonsmile App.

**Who can I contact if I have questions?** Please email Nicole Zingarelli at [nzingarelli@yahoo.com](mailto:nzingarelli@yahoo.com) with any questions regarding the Scrip program.
