

What is Scrip and how does it work?

Scrip is a “shopping cart fundraising” whereby families can purchase gift cards from over 700 retailers for everyday purchases like food, clothing, entertainment and gas at face value. When ordered from the Scrip company, they give us a percentage back. It is simple and effective since families can generate revenue for the school through purchases that they have to make anyway. Also, Scrip is an easy way to stock up on gifts for birthdays and holidays. You can order online at shopwithscrip.com.

How do I order online on the Scrips website?

Go to ShopWithScrip.com or use the link on our website. Sign up instructions are below. You can use PrestoPay to link your bank account or pay via credit card (Visa, Mastercard and Discover are accepted) with your ShopWithScrip online account. The rebate will be automatically credited to the PTO. This can be done for physical gift cards, egift cards or reloaded gift cards.

How do I set up my ShopWithScrip.com account?

1. Go to <https://www.shopwithscrip.com/how-to-enroll> and click on Join Your Existing Program.
2. Enter the enrollment code (Please contact us and we will provide it to you. This step is necessary to ensure we keep our Scrip account secure)
3. Complete the Family Registration page.
4. Start shopping.

When will I receive my gift cards?

For now we are asking that you choose e-gift cards as your delivery method. They are available immediately. They can be accessed through your online scrip account or on myscripwallet.com.

Is there anything else I should know about Scrip?

One important thing to know is that more than 130 retailers including Target, Starbucks and Lowe's offer reloads of gift cards. So, you can add funds to gift cards that you've already purchased through ShopWithScrip instead of buying new ones. When your Reload orders are placed and paid for before 3:30 p.m. Monday through Friday, the funds will be added to your card overnight. With ReloadNow, which is available for a growing number of retailers, funds will be added to your card in minutes. Also, MyScripWallet allows you to order electronic gift cards, reload physical gift cards and in many cases, redeem them from your phone. You can login using your same ShopWithScrip username and password and pay with PrestoPay. MyScripWallet is supported on Apple and Android mobile devices.

Can these small earnings really make that much money for our school?

Yes, they definitely can. If you look at the example of one family purchasing 4 \$100 gift cards from Giant for their grocery shopping for the month. At a 4.0% rebate, this means that \$16 will be earned for 1 month. For a six-month time period, this would amount to \$96 for our organization from just one store. If just 10 families do the same, our school raises almost \$1,000 just from one store.

Who can I contact if I have questions? Please email Nicole Zingarelli at nzingarelli@yahoo.com with any questions regarding the Scrip program.
